1. Agenda Item #1, WELCOME AND INTRODUCTIONS

Mr. Hedges, Board President, called the meeting to order at 10:00 a.m.

2. Agenda Item #2, ELECTION OF A COMMITTEE CHAIRPERSON

Upon motion by Mr. Federico, seconded by Dr. Williams, Mr. Hedges was elected as Chair of the Enforcement Committee by a 2-0 vote, Mr. Hedges abstained. Upon his nomination, Mr. Hedges commented he would like to see the Board increase their outreach with regard to Health and Safety for the prevention of infectious disease.

3. Agenda Item #3, APPROVAL OF ENFORCEMENT COMMITTEE MEETING MINUTES

Upon motion by Dr. Williams, seconded by Mr. Federico, the minutes from the June 3, 2013, Enforcement Committee meeting were approved by a 3-0 vote.

4. **Agenda Item #4, DISCUSSION ON THE PRACTICE OF TEETH WHITENING**

It has been the Board of Barbering and Cosmetology's (Board) practice to cite Section 7320 of the California Business and Profession Code, when Board inspectors find evidence of teeth whitening services being performed. It is recommended that the Board's inspectors continue to note on their inspection report when they find teeth whitening services. The Board will summarize the information obtained from the inspector's report into an interagency referral to the Dental Board. According to the Dental Board, teeth whitening is not considered the practice of medicine, however, it is out of the scope of practice for a Board licensee. Practice of dentistry includes the evaluation and diagnosis of a dental condition.

Legal counsel, Gary Duke stated that on Tuesday, October 14, 2014, the Supreme Court convened and heard arguments on the restriction of federal trade, regarding teeth whitening services. He stated that the southern State Boards involved in the suit were comprised of professional members (Dentists) only and that there were concerns with anti-trust issues and fair trade restriction.

California Boards are comprised of both public and industry members. As such, California boards are protected against anti-trust suits.

Mr. Duke will be closely watching the Supreme Court case and advising the Board of its status.

Mr. Hedges recommended that inspectors should determine under what conditions teeth whitening services are taking place in an establishment. They should include what they find in a detailed supplemental report.

Currently, inspectors submit to the Board any dental manufacturer's information they find during an inspection. This information along with the inspection report comes directly to the Board.

Ms. Underwood recommended all Dental Board interagency referrals be noted in the BreEZe database.

Public Comment

Fred Jones, Professional Beauty Federation of California, suggested that the Board provide some sort of physical demarcation between what services fall under the Boards jurisdiction and what services do not. This physical demarcation could be a notice posted in the establishment listing each regulated service or non-regulated service. He believes this will help consumers understand what services fall under the scope of practice for a Board licensee.

Karen Fisher, Executive Officer of the Dental Board, received a legal opinion several years ago that essentially says teeth whitening is not necessarily the practice of dentistry depending on how the whitening was administered.

Mr. Hedges suggested the Board make it incumbent on the person performing the out-of-scope activities to list the out-of-scope activities on a consumer notice posted in the establishment. Mr. Hedges suggested staff do research and provide a proposed signage recommendation at the next Board meeting.

5. **Agenda Item #5, DISCUSSION OF SECTION 7351 OF ARTICLE 6, CHAPTER 10, DIVISION 3 OF THE CALIFORNIA BUSINESS AND PROFESSIONS CODE ON THE PROVISION AND MAINTENANCE OF ADEQUATE FACILITIES PERTAINING TO ESTABLISHMENT OWNERS STORING WASHERS AND DRYERS IN THE ESTABLISHMENT RESTROOM**

It has been the Boards practice to cite Section 7351, of the California Business and Professions Code when washers and dryers are stored in an establishment's public restroom. The statute provides specifically no restroom shall be used for storage. It was discussed if washers and dryers could be considered storage.

Mr. Hedges quoted the first sentence of Section 7351, which is, "Every establishment shall provide at least one public toilet room located on or near the premises of its patron." His argument is if you put the washer and dryer in the public restroom, it becomes an extension of the work area and, therefore, no longer a public restroom for the patron.

Mr. Duke believes the Board can continue to cite for this violation, without regulatory change.

6. Agenda Item #6, PROPOSED REVISIONS TO SECTION 974 OF THE CALIFORNIA CODE OF REGULATIONS REGARDING REVISIONS TO THE FINE SCHEDULE

Staff submitted the following fee schedule for the approval of the Committee. These proposed fine amounts will be presented at the Board meeting taking place in Rancho Cucamonga on October 20, 2014, for approval by the entire Board.

Regulation	Detail	1 st Offense	2 nd Offense	3 rd Offense
980 (c)	Incorrect storage of soiled electrical tools	50	100	150
980.1 (g) 980.2 (f)	Failure to list chair as "Not in Service" in log; no sign displayed on chair.	50	100	150
980.3 (e)	Improper storage of basins or tubs	50	100	150
980.4	Incorrect disinfection of foot basin or tub after use of disposable liner	100	150	200
980.4 (a)(2)	Incorrect/Missing log	50	100	150
980.4 (a)(4)	Failure to maintain a supply of five (5) disposable liners per foot tub basin	250	300	500
981 (b)	Improper storage of new supplies and disposable tools	50	100	150

Dr. Williams moved to take the recommendations to the full Board. Mr. Federico seconded the motion. The motion passed with a 3-0 vote.

7. Agenda Item #7, DISCUSSION OF SECTION 7319(e) OF ARTICLE 2, CHAPTER 10, DIVISION 3, OF THE CALIFORNIA BUSINESS AND PROFESSIONS CODE PERTAINING TO DEMONSTRATING PRODUCTS (I.E., EYELASH EXTENSIONS, MAKEUP) AND WHEN A LICENSE IS REQUIRED

Ms. Underwood stated the Board has received reports of non-licensees providing lash extensions, hair coloring applications and makeup services in non-licensed establishments. Providers are taking a manufacturer's "how-to" course and then providing the entire service (make up, lash application, hair color) and when inspected, stating they are merely demonstrating the product being used. This is being stated with the intent of claiming exemption under Section 7319 (e) of the California Business and Professions Code. This statute provides product demonstrators exemption from licensure. The intent of this statute was for establishments like Macy's who utilize a makeup counter. Make up counters (Macy's, Nordstrom's) can demonstrate their product, without licensure, as they are trying to sell you the products, not provide the client with the service. Staff believes this is a growing trend in the industry and a problem. People are not licensed but are performing services that are within the scope of practice of Board licensees, and claiming that it is solely for the purpose of demonstrating the product.

Statute 7319 (e) currently reads, "Persons engaged in the administration of hair, skin, or nail products for the exclusive purpose of recommending, demonstrating, or selling those products". People are using the statute as a loophole, to engage in unlicensed activity.

It was suggested that the definition of the word demonstrating be added to the Boards regulations.

This discussion will be carried over to the Board meeting on October 20th, which will be webcast.

8. Agenda Item #8, PUBLIC COMMENT

Note: The Board may not discuss or take action on any matter raised during this public comment section, except to decide whether to place the matter on the agenda of a future meeting.

CHAPTER 752

An act to amend Sections 30, 2103, 2111, 2112, 2113, 2115, 3624, and 6533 of, and to add Section 135.5 to, the Business and Professions Code, to amend Section 17520 of the Family Code, and to amend Section 19528 of the Revenue and Taxation Code, relating to professions and vocations.

[Approved by Governor September 28, 2014. Filed with
Secretary of State September 28, 2014.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1159, Lara. Professions and vocations: license applicants: individual tax identification number.

Existing law provides for the licensure and regulation of various professions and vocations by boards within the Department of Consumer Affairs, among other licensing bodies. Existing law requires those licensing bodies to require a licensee, at the time of issuance of the license, to provide its federal employer identification number if the licensee is a partnership, or his or her social security number for all other licensees. Existing law requires those licensing bodies to report to the Franchise Tax Board any licensee who fails to provide the federal employer identification number or social security number, and subjects the licensee to a penalty for failing to provide the information after notification, as specified.

This bill, no later than January 1, 2016, would require those licensing bodies to require an applicant to provide either an individual tax identification number or social security number if the applicant is an individual. The bill would require the licensing bodies to report to the Franchise Tax Board, and subject a licensee to a penalty, for failure to provide that information, as described above. The bill would prohibit, except as specified, any entity within the department from denying licensure to an applicant based on his or her citizenship status or immigration status. The bill would require every board within the department to implement regulatory and procedural changes necessary to implement these provisions no later than January 1, 2016, and would authorize implementation at any time prior to that date. The bill would make other conforming changes.

The people of the State of California do enact as follows:

SECTION 1. Section 30 of the Business and Professions Code is amended to read:

30. (a) (1) Notwithstanding any other law, any board, as defined in Section 22, and the State Bar and the Bureau of Real Estate shall, at the

time of issuance of the license, require that the applicant provide its federal employer identification number, if the applicant is a partnership, or the applicant's social security number for all other applicants.

(2) No later than January 1, 2016, in accordance with Section 135.5, a board, as defined in Section 22, and the State Bar and the Bureau of Real Estate shall require either the individual taxpayer identification number or social security number if the applicant is an individual for purposes of this subdivision.

(b) A licensee failing to provide the federal employer identification number, or the individual taxpayer identification number or social security number shall be reported by the licensing board to the Franchise Tax Board. If the licensee fails to provide that information after notification pursuant to paragraph (1) of subdivision (b) of Section 19528 of the Revenue and Taxation Code, the licensee shall be subject to the penalty provided in paragraph (2) of subdivision (b) of Section 19528 of the Revenue and Taxation Code.

(c) In addition to the penalty specified in subdivision (b), a licensing board may not process an application for an initial license unless the applicant provides its federal employer identification number, or individual taxpayer identification number or social security number where requested on the application.

(d) A licensing board shall, upon request of the Franchise Tax Board, furnish to the Franchise Tax Board the following information with respect to every licensee:

(1) Name.

(2) Address or addresses of record.

(3) Federal employer identification number if the licensee is a partnership, or the licensee's individual taxpayer identification number or social security number for all other licensees.

(4) Type of license.

(5) Effective date of license or a renewal.

(6) Expiration date of license.

(7) Whether license is active or inactive, if known.

(8) Whether license is new or a renewal.

(e) For the purposes of this section:

(1) "Licensee" means a person or entity, other than a corporation, authorized by a license, certificate, registration, or other means to engage in a business or profession regulated by this code or referred to in Section 1000 or 3600.

(2) "License" includes a certificate, registration, or any other authorization needed to engage in a business or profession regulated by this code or referred to in Section 1000 or 3600.

(3) "Licensing board" means any board, as defined in Section 22, the State Bar, and the Bureau of Real Estate.

(f) The reports required under this section shall be filed on magnetic media or in other machine-readable form, according to standards furnished by the Franchise Tax Board.

(g) Licensing boards shall provide to the Franchise Tax Board the information required by this section at a time that the Franchise Tax Board may require.

(h) Notwithstanding Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code, a federal employer identification number, individual taxpayer identification number, or social security number furnished pursuant to this section shall not be deemed to be a public record and shall not be open to the public for inspection.

(i) A deputy, agent, clerk, officer, or employee of a licensing board described in subdivision (a), or any former officer or employee or other individual who, in the course of his or her employment or duty, has or has had access to the information required to be furnished under this section, may not disclose or make known in any manner that information, except as provided in this section to the Franchise Tax Board or as provided in subdivision (k).

(j) It is the intent of the Legislature in enacting this section to utilize the federal employer identification number, individual taxpayer identification number, or social security number for the purpose of establishing the identification of persons affected by state tax laws and for purposes of compliance with Section 17520 of the Family Code and, to that end, the information furnished pursuant to this section shall be used exclusively for those purposes.

(k) If the board utilizes a national examination to issue a license, and if a reciprocity agreement or comity exists between the State of California and the state requesting release of the individual taxpayer identification number or social security number, any deputy, agent, clerk, officer, or employee of any licensing board described in subdivision (a) may release an individual taxpayer identification number or social security number to an examination or licensing entity, only for the purpose of verification of licensure or examination status.

(l) For the purposes of enforcement of Section 17520 of the Family Code, and notwithstanding any other law, a board, as defined in Section 22, and the State Bar and the Bureau of Real Estate shall at the time of issuance of the license require that each licensee provide the individual taxpayer identification number or social security number of each individual listed on the license and any person who qualifies for the license. For the purposes of this subdivision, "licensee" means an entity that is issued a license by any board, as defined in Section 22, the State Bar, the Bureau of Real Estate, and the Department of Motor Vehicles.

SEC. 2. Section 135.5 is added to the Business and Professions Code, to read:

135.5. (a) The Legislature finds and declares that it is in the best interests of the State of California to provide persons who are not lawfully present in the United States with the state benefits provided by all licensing acts of entities within the department, and therefore enacts this section pursuant to subsection (d) of Section 1621 of Title 8 of the United States Code.

(b) Notwithstanding subdivision (a) of Section 30, and except as required by subdivision (e) of Section 7583.23, no entity within the department shall deny licensure to an applicant based on his or her citizenship status or immigration status.

(c) Every board within the department shall implement all required regulatory or procedural changes necessary to implement this section no later than January 1, 2016. A board may implement the provisions of this section at any time prior to January 1, 2016.

SEC. 3. Section 2103 of the Business and Professions Code is amended to read:

2103. An applicant shall be eligible for a physician's and surgeon's certificate if he or she has completed the following requirements:

(a) Submitted official evidence satisfactory to the board of completion of a resident course or professional instruction equivalent to that required in Section 2089 in a medical school located outside the United States or Canada. However, nothing in this section shall be construed to require the board to evaluate for equivalency any coursework obtained at a medical school disapproved by the board pursuant to Article 4 (commencing with Section 2080).

(b) Submitted official evidence satisfactory to the board of completion of all formal requirements of the medical school for graduation, except the applicant shall not be required to have completed an internship or social service or be admitted or licensed to practice medicine in the country in which the professional instruction was completed.

(c) Attained a score satisfactory to an approved medical school on a qualifying examination acceptable to the board.

(d) Successfully completed one academic year of supervised clinical training in a program approved by the board pursuant to Section 2104. The board shall also recognize as compliance with this subdivision the successful completion of a one-year supervised clinical medical internship operated by a medical school pursuant to Chapter 85 of the Statutes of 1972 and as amended by Chapter 888 of the Statutes of 1973 as the equivalent of the year of supervised clinical training required by this section.

(1) Training received in the academic year of supervised clinical training approved pursuant to Section 2104 shall be considered as part of the total academic curriculum for purposes of meeting the requirements of Sections 2089 and 2089.5.

(2) An applicant who has passed the basic science and English language examinations required for certification by the Educational Commission for Foreign Medical Graduates may present evidence of those passing scores along with a certificate of completion of one academic year of supervised clinical training in a program approved by the board pursuant to Section 2104 in satisfaction of the formal certification requirements of subdivision (b) of Section 2102.

(e) Satisfactorily completed the postgraduate training required under Section 2096.

(f) Passed the written examination required for certification as a physician and surgeon under this chapter.

SEC. 4. Section 2111 of the Business and Professions Code is amended to read:

2111. (a) Physicians who are not citizens but who meet the requirements of subdivision (b) and who seek postgraduate study in an approved medical school may, after receipt of an appointment from the dean of the California medical school and application to and approval by the Division of Licensing, be permitted to participate in the professional activities of the department or division in the medical school to which they are appointed. The physician shall be under the direction of the head of the department to which he or she is appointed, supervised by the staff of the medical school's medical center, and known for these purposes as a "visiting fellow." The visiting fellow shall wear a visible name tag containing the title "visiting fellow" when he or she provides clinical services.

(b) (1) Application for approval shall be made on a form prescribed by the division and shall be accompanied by a fee fixed by the division in an amount necessary to recover the actual application processing costs of the program. The application shall show that the person does not immediately qualify for a physician's and surgeon's certificate under this chapter and that the person has completed at least three years of postgraduate basic residency requirements. The application shall include a written statement of the recruitment procedures followed by the medical school before offering the appointment to the applicant.

(2) Approval shall be granted only for appointment to one medical school, and no physician shall be granted more than one approval for the same period of time.

(3) Approval may be granted for a maximum of three years and shall be renewed annually. The medical school shall submit a request for renewal on a form prescribed by the division, which shall be accompanied by a renewal fee fixed by the division in an amount necessary to recover the actual application processing costs of the program.

(c) Except to the extent authorized by this section, the visiting fellow may not engage in the practice of medicine. Neither the visiting fellow nor the medical school may assess any charge for the medical services provided by the visiting fellow, and the visiting fellow may not receive any other compensation therefor.

(d) The time spent under appointment in a medical school pursuant to this section may not be used to meet the requirements for licensure under Section 2102.

(e) The division shall notify both the visiting fellow and the dean of the appointing medical school of any complaint made about the visiting fellow.

The division may terminate its approval of an appointment for any act that would be grounds for discipline if done by a licensee. The division shall provide both the visiting fellow and the dean of the medical school with a written notice of termination including the basis for that termination. The visiting fellow may, within 30 days after the date of the notice of termination,

file a written appeal to the division. The appeal shall include any documentation the visiting fellow wishes to present to the division.

(f) Nothing in this section shall preclude any United States citizen who has received his or her medical degree from a medical school located in a foreign country and recognized by the division from participating in any program established pursuant to this section.

SEC. 5. Section 2112 of the Business and Professions Code is amended to read:

2112. (a) Physicians who are not citizens and who seek postgraduate study, may, after application to and approval by the Division of Licensing, be permitted to participate in a fellowship program in a specialty or subspecialty field, providing the fellowship program is given in a hospital in this state which is approved by the Joint Committee on Accreditation of Hospitals and providing the service is satisfactory to the division. Such physicians shall at all times be under the direction and supervision of a licensed, board-certified physician and surgeon who is recognized as a clearly outstanding specialist in the field in which the foreign fellow is to be trained. The supervisor, as part of the application process, shall submit his or her curriculum vitae and a protocol of the fellowship program to be completed by the foreign fellow. Approval of the program and supervisor is for a period of one year, but may be renewed annually upon application to and approval by the division. The approval may not be renewed more than four times. The division may determine a fee, based on the cost of operating this program, which shall be paid by the applicant at the time the application is filed.

(b) Except to the extent authorized by this section, no such visiting physician may engage in the practice of medicine or receive compensation therefor. The time spent under appointment in a medical school pursuant to this section may not be used to meet the requirements for licensure under Section 2101 or 2102.

(c) Nothing in this section shall preclude any United States citizen who has received his or her medical degree from a medical school located in a foreign country from participating in any program established pursuant to this section.

SEC. 6. Section 2113 of the Business and Professions Code is amended to read:

2113. (a) Any person who does not immediately qualify for a physician's and surgeon's certificate under this chapter and who is offered by the dean of an approved medical school in this state a full-time faculty position may, after application to and approval by the Division of Licensing, be granted a certificate of registration to engage in the practice of medicine only to the extent that the practice is incident to and a necessary part of his or her duties as approved by the division in connection with the faculty position. A certificate of registration does not authorize a registrant to admit patients to a nursing or a skilled or assisted living facility unless that facility is formally affiliated with the sponsoring medical school. A clinical fellowship shall not be submitted as a faculty service appointment.

(b) Application for a certificate of registration shall be made on a form prescribed by the division and shall be accompanied by a registration fee fixed by the division in an amount necessary to recover the actual application processing costs of the program. To qualify for the certificate, an applicant shall submit all of the following:

(1) If the applicant is a graduate of a medical school other than in the United States or Canada, documentary evidence satisfactory to the division that he or she has been licensed to practice medicine and surgery for not less than four years in another state or country whose requirements for licensure are satisfactory to the division, or has been engaged in the practice of medicine in the United States for at least four years in approved facilities, or has completed a combination of that licensure and training.

(2) If the applicant is a graduate of an approved medical school in the United States or Canada, documentary evidence that he or she has completed a resident course of professional instruction as required in Section 2089.

(3) Written certification by the head of the department in which the applicant is to be appointed of all of the following:

(A) The applicant will be under his or her direction.

(B) The applicant will not be permitted to practice medicine unless incident to and a necessary part of his or her duties as approved by the division in subdivision (a).

(C) The applicant will be accountable to the medical school's department chair or division chief for the specialty in which the applicant will practice.

(D) The applicant will be proctored in the same manner as other new faculty members, including, as appropriate, review by the medical staff of the school's medical center.

(E) The applicant will not be appointed to a supervisory position at the level of a medical school department chair or division chief.

(4) Demonstration by the dean of the medical school that the applicant has the requisite qualifications to assume the position to which he or she is to be appointed and that shall include a written statement of the recruitment procedures followed by the medical school before offering the faculty position to the applicant.

(c) A certificate of registration shall be issued only for a faculty position at one approved medical school, and no person shall be issued more than one certificate of registration for the same period of time.

(d) (1) A certificate of registration is valid for one year from its date of issuance and may be renewed twice.

A request for renewal shall be submitted on a form prescribed by the division and shall be accompanied by a renewal fee fixed by the division in an amount necessary to recover the actual application processing costs of the program.

(2) The dean of the medical school may request renewal of the registration by submitting a plan at the beginning of the third year of the registrant's appointment demonstrating the registrant's continued progress toward licensure and, if the registrant is a graduate of a medical school other than in the United States or Canada, that the registrant has been issued a certificate

by the Educational Commission for Foreign Medical Graduates. The division may, in its discretion, extend the registration for a two-year period to facilitate the registrant's completion of the licensure process.

(e) If the registrant is a graduate of a medical school other than in the United States or Canada, he or she shall meet the requirements of Section 2102 or 2135, as appropriate, in order to obtain a physician's and surgeon's certificate. Notwithstanding any other provision of law, the division may accept clinical practice in an appointment pursuant to this section as qualifying time to meet the postgraduate training requirements in Section 2102, and may, in its discretion, waive the examination and the Educational Commission for Foreign Medical Graduates certification requirements specified in Section 2102 in the event the registrant applies for a physician's and surgeon's certificate. As a condition to waiving any examination or the Educational Commission for Foreign Medical Graduates certification requirement, the division in its discretion, may require an applicant to pass the clinical competency examination referred to in subdivision (d) of Section 2135. The division shall not waive any examination for an applicant who has not completed at least one year in the faculty position.

(f) Except to the extent authorized by this section, the registrant shall not engage in the practice of medicine, bill individually for medical services provided by the registrant, or receive compensation therefor, unless he or she is issued a physician's and surgeon's certificate.

(g) When providing clinical services, the registrant shall wear a visible name tag containing the title "visiting professor" or "visiting faculty member," as appropriate, and the institution at which the services are provided shall obtain a signed statement from each patient to whom the registrant provides services acknowledging that the patient understands that the services are provided by a person who does not hold a physician's and surgeon's certificate but who is qualified to participate in a special program as a visiting professor or faculty member.

(h) The division shall notify both the registrant and the dean of the medical school of a complaint made about the registrant. The division may terminate a registration for any act that would be grounds for discipline if done by a licensee. The division shall provide both the registrant and the dean of the medical school with written notice of the termination and the basis for that termination. The registrant may, within 30 days after the date of the notice of termination, file a written appeal to the division. The appeal shall include any documentation the registrant wishes to present to the division.

SEC. 7. Section 2115 of the Business and Professions Code is amended to read:

2115. (a) Physicians who are not citizens and who seek postgraduate study may, after application to and approval by the Division of Licensing, be permitted to participate in a fellowship program in a specialty or subspecialty field, providing the fellowship program is given in a clinic or hospital in a medically underserved area of this state that is licensed by the State Department of Health Services or is exempt from licensure pursuant

to subdivision (b) or (c) of Section 1206 of the Health and Safety Code, and providing service is satisfactory to the division. These physicians shall at all times be under the direction and supervision of a licensed, board certified physician and surgeon who has an appointment with a medical school in California and is a specialist in the field in which the fellow is to be trained. The supervisor, as part of the application process, shall submit his or her curriculum vitae and a protocol of the fellowship program to be completed by the foreign fellow. Approval of the program and supervisor is for a period of one year, but may be renewed annually upon application to and approval by the division. The approval may not be renewed more than four times. The division may determine a fee, based on the cost of operating this program, which shall be paid by the applicant at the time the application is filed.

(b) Except to the extent authorized by this section, no visiting physician may engage in the practice of medicine or receive compensation therefor. The time spent under appointment in a clinic pursuant to this section may not be used to meet the requirements for licensure under Section 2102.

(c) Nothing in this section shall preclude any United States citizen who has received his or her medical degree from a medical school located in a foreign country from participating in any program established pursuant to this section.

(d) For purposes of this section, a medically underserved area means a federally designated Medically Underserved Area, a federally designated Health Professional Shortage Area, and any other clinic or hospital determined by the board to be medically underserved. Clinics or hospitals determined by the board pursuant to this subdivision shall be reported to the Office of Statewide Health Planning and Development.

SEC. 8. Section 3624 of the Business and Professions Code is amended to read:

3624. it is incidental to and a necessary part of the applicant's duties in connection with the holder's faculty position.

(c) A certificate of registration issued under this section is valid for two years.

SEC. 10. Section 17520 of the Family Code is amended to read:

17520. (a) As used in this section:

(1) "Applicant" means a person applying for issuance or renewal of a license.

(2) "Board" means an entity specified in Section 101 of the Business and Professions Code, the entities referred to in Sections 1000 and 3600 of the Business and Professions Code, the State Bar, the Bureau of Real Estate,

the Department of Motor Vehicles, the Secretary of State, the Department of Fish and Wildlife, and any other state commission, department, committee, examiner, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, or to the extent required by federal law or regulations, for recreational purposes. This term includes all boards, commissions, departments, committees, examiners, entities, and agencies that issue a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession. The failure to specifically name a particular board, commission, department, committee, examiner, entity, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession does not exclude that board, commission, department, committee, examiner, entity, or agency from this term.

(3) “Certified list” means a list provided by the local child support agency to the Department of Child Support Services in which the local child support agency verifies, under penalty of perjury, that the names contained therein are support obligors found to be out of compliance with a judgment or order for support in a case being enforced under Title IV-D of the federal Social Security Act.

(4) “Compliance with a judgment or order for support” means that, as set forth in a judgment or order for child or family support, the obligor is no more than 30 calendar days in arrears in making payments in full for current support, in making periodic payments in full, whether court ordered or by agreement with the local child support agency, on a support arrearage, or in making periodic payments in full, whether court ordered or by agreement with the local child support agency, on a judgment for reimbursement for public assistance, or has obtained a judicial finding that equitable estoppel as provided in statute or case law precludes enforcement of the order. The local child support agency is authorized to use this section to enforce orders for spousal support only when the local child support agency is also enforcing a related child support obligation owed to the obligee parent by the same obligor, pursuant to Sections 17400 and 17604.

(5) “License” includes membership in the State Bar, and a certificate, credential, permit, registration, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession, or to operate a commercial motor vehicle, including appointment and commission by the Secretary of State as a notary public. “License” also includes any driver’s license issued by the Department of Motor Vehicles, any commercial fishing license issued by the Department of Fish and Wildlife, and to the extent required by federal law or regulations, any license used for recreational purposes. This term includes all licenses, certificates, credentials, permits, registrations, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession. The failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board that allows a person to engage in a business, occupation, or profession, does not

exclude that license, certificate, credential, permit, registration, or other authorization from this term.

(6) "Licensee" means a person holding a license, certificate, credential, permit, registration, or other authorization issued by a board, to engage in a business, occupation, or profession, or a commercial driver's license as defined in Section 15210 of the Vehicle Code, including an appointment and commission by the Secretary of State as a notary public. "Licensee" also means a person holding a driver's license issued by the Department of Motor Vehicles, a person holding a commercial fishing license issued by the Department of Fish and Game, and to the extent required by federal law or regulations, a person holding a license used for recreational purposes. This term includes all persons holding a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, and the failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board does not exclude that person from this term. For licenses issued to an entity that is not an individual person, "licensee" includes an individual who is either listed on the license or who qualifies for the license.

(b) The local child support agency shall maintain a list of those persons included in a case being enforced under Title IV-D of the federal Social Security Act against whom a support order or judgment has been rendered by, or registered in, a court of this state, and who are not in compliance with that order or judgment. The local child support agency shall submit a certified list with the names, social security numbers, and last known addresses of these persons and the name, address, and telephone number of the local child support agency who certified the list to the department. The local child support agency shall verify, under penalty of perjury, that the persons listed are subject to an order or judgment for the payment of support and that these persons are not in compliance with the order or judgment. The local child support agency shall submit to the department an updated certified list on a monthly basis.

(c) The department shall consolidate the certified lists received from the local child support agencies and, within 30 calendar days of receipt, shall provide a copy of the consolidated list to each board that is responsible for the regulation of licenses, as specified in this section.

(d) On or before November 1, 1992, or as soon thereafter as economically feasible, as determined by the department, all boards subject to this section shall implement procedures to accept and process the list provided by the department, in accordance with this section. Notwithstanding any other law, all boards shall collect social security numbers or individual taxpayer identification numbers from all applicants for the purposes of matching the names of the certified list provided by the department to applicants and licensees and of responding to requests for this information made by child support agencies.

(e) (1) Promptly after receiving the certified consolidated list from the department, and prior to the issuance or renewal of a license, each board

shall determine whether the applicant is on the most recent certified consolidated list provided by the department. The board shall have the authority to withhold issuance or renewal of the license of an applicant on the list.

(2) If an applicant is on the list, the board shall immediately serve notice as specified in subdivision (f) on the applicant of the board's intent to withhold issuance or renewal of the license. The notice shall be made personally or by mail to the applicant's last known mailing address on file with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(A) The board shall issue a temporary license valid for a period of 150 days to any applicant whose name is on the certified list if the applicant is otherwise eligible for a license.

(B) Except as provided in subparagraph (D), the 150-day time period for a temporary license shall not be extended. Except as provided in subparagraph (D), only one temporary license shall be issued during a regular license term and it shall coincide with the first 150 days of that license term. As this paragraph applies to commercial driver's licenses, "license term" shall be deemed to be 12 months from the date the application fee is received by the Department of Motor Vehicles. A license for the full or remainder of the license term shall be issued or renewed only upon compliance with this section.

(C) In the event that a license or application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board.

(D) This paragraph shall apply only in the case of a driver's license, other than a commercial driver's license. Upon the request of the local child support agency or by order of the court upon a showing of good cause, the board shall extend a 150-day temporary license for a period not to exceed 150 extra days.

(3) (A) The department may, when it is economically feasible for the department and the boards to do so as determined by the department, in cases where the department is aware that certain child support obligors listed on the certified lists have been out of compliance with a judgment or order for support for more than four months, provide a supplemental list of these obligors to each board with which the department has an interagency agreement to implement this paragraph. Upon request by the department, the licenses of these obligors shall be subject to suspension, provided that the licenses would not otherwise be eligible for renewal within six months from the date of the request by the department. The board shall have the authority to suspend the license of any licensee on this supplemental list.

(B) If a licensee is on a supplemental list, the board shall immediately serve notice as specified in subdivision (f) on the licensee that his or her license will be automatically suspended 150 days after notice is served, unless compliance with this section is achieved. The notice shall be made personally or by mail to the licensee's last known mailing address on file

with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(C) The 150-day notice period shall not be extended.

(D) In the event that any license is suspended pursuant to this section, any funds paid by the licensee shall not be refunded by the board.

(E) This paragraph shall not apply to licenses subject to annual renewal or annual fee.

(f) Notices shall be developed by each board in accordance with guidelines provided by the department and subject to approval by the department. The notice shall include the address and telephone number of the local child support agency that submitted the name on the certified list, and shall emphasize the necessity of obtaining a release from that local child support agency as a condition for the issuance, renewal, or continued valid status of a license or licenses.

(1) In the case of applicants not subject to paragraph (3) of subdivision (e), the notice shall inform the applicant that the board shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 150 calendar days if the applicant is otherwise eligible and that upon expiration of that time period the license will be denied unless the board has received a release from the local child support agency that submitted the name on the certified list.

(2) In the case of licensees named on a supplemental list, the notice shall inform the licensee that his or her license will continue in its existing status for no more than 150 calendar days from the date of mailing or service of the notice and thereafter will be suspended indefinitely unless, during the 150-day notice period, the board has received a release from the local child support agency that submitted the name on the certified list. Additionally, the notice shall inform the licensee that any license suspended under this section will remain so until the expiration of the remaining license term, unless the board receives a release along with applications and fees, if applicable, to reinstate the license during the license term.

(3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board. The Department of Child Support Services shall also develop a form that the applicant shall use to request a review by the local child support agency. A copy of this form shall be included with every notice sent pursuant to this subdivision.

(g) (1) Each local child support agency shall maintain review procedures consistent with this section to allow an applicant to have the underlying arrearage and any relevant defenses investigated, to provide an applicant information on the process of obtaining a modification of a support order, or to provide an applicant assistance in the establishment of a payment schedule on arrearages if the circumstances so warrant.

(2) It is the intent of the Legislature that a court or local child support agency, when determining an appropriate payment schedule for arrearages, base its decision on the facts of the particular case and the priority of

payment of child support over other debts. The payment schedule shall also recognize that certain expenses may be essential to enable an obligor to be employed. Therefore, in reaching its decision, the court or the local child support agency shall consider both of these goals in setting a payment schedule for arrearages.

(h) If the applicant wishes to challenge the submission of his or her name on the certified list, the applicant shall make a timely written request for review to the local child support agency who certified the applicant's name. A request for review pursuant to this section shall be resolved in the same manner and timeframe provided for resolution of a complaint pursuant to Section 17800. The local child support agency shall immediately send a release to the appropriate board and the applicant, if any of the following conditions are met:

(1) The applicant is found to be in compliance or negotiates an agreement with the local child support agency for a payment schedule on arrearages or reimbursement.

(2) The applicant has submitted a request for review, but the local child support agency will be unable to complete the review and send notice of its findings to the applicant within the time specified in Section 17800.

(3) The applicant has filed and served a request for judicial review pursuant to this section, but a resolution of that review will not be made within 150 days of the date of service of notice pursuant to subdivision (f). This paragraph applies only if the delay in completing the judicial review process is not the result of the applicant's failure to act in a reasonable, timely, and diligent manner upon receiving the local child support agency's notice of findings.

(4) The applicant has obtained a judicial finding of compliance as defined in this section.

(i) An applicant is required to act with diligence in responding to notices from the board and the local child support agency with the recognition that the temporary license will lapse or the license suspension will go into effect after 150 days and that the local child support agency and, where appropriate, the court must have time to act within that period. An applicant's delay in acting, without good cause, which directly results in the inability of the local child support agency to complete a review of the applicant's request or the court to hear the request for judicial review within the 150-day period shall not constitute the diligence required under this section which would justify the issuance of a release.

(j) Except as otherwise provided in this section, the local child support agency shall not issue a release if the applicant is not in compliance with the judgment or order for support. The local child support agency shall notify the applicant in writing that the applicant may, by filing an order to show cause or notice of motion, request any or all of the following:

(1) Judicial review of the local child support agency's decision not to issue a release.

(2) A judicial determination of compliance.

(3) A modification of the support judgment or order.

The notice shall also contain the name and address of the court in which the applicant shall file the order to show cause or notice of motion and inform the applicant that his or her name shall remain on the certified list if the applicant does not timely request judicial review. The applicant shall comply with all statutes and rules of court regarding orders to show cause and notices of motion.

This section shall not be deemed to limit an applicant from filing an order to show cause or notice of motion to modify a support judgment or order or to fix a payment schedule on arrearages accruing under a support judgment or order or to obtain a court finding of compliance with a judgment or order for support.

(k) The request for judicial review of the local child support agency's decision shall state the grounds for which review is requested and judicial review shall be limited to those stated grounds. The court shall hold an evidentiary hearing within 20 calendar days of the filing of the request for review. Judicial review of the local child support agency's decision shall be limited to a determination of each of the following issues:

(1) Whether there is a support judgment, order, or payment schedule on arrearages or reimbursement.

(2) Whether the petitioner is the obligor covered by the support judgment or order.

(3) Whether the support obligor is or is not in compliance with the judgment or order of support.

(4) (A) The extent to which the needs of the obligor, taking into account the obligor's payment history and the current circumstances of both the obligor and the obligee, warrant a conditional release as described in this subdivision.

(B) The request for judicial review shall be served by the applicant upon the local child support agency that submitted the applicant's name on the certified list within seven calendar days of the filing of the petition. The court has the authority to uphold the action, unconditionally release the license, or conditionally release the license.

(C) If the judicial review results in a finding by the court that the obligor is in compliance with the judgment or order for support, the local child support agency shall immediately send a release in accordance with subdivision (I) to the appropriate board and the applicant. If the judicial review results in a finding by the court that the needs of the obligor warrant a conditional release, the court shall make findings of fact stating the basis for the release and the payment necessary to satisfy the unrestricted issuance or renewal of the license without prejudice to a later judicial determination of the amount of support arrearages, including interest, and shall specify payment terms, compliance with which are necessary to allow the release to remain in effect.

(I) The department shall prescribe release forms for use by local child support agencies. When the obligor is in compliance, the local child support agency shall mail to the applicant and the appropriate board a release stating that the applicant is in compliance. The receipt of a release shall serve to

notify the applicant and the board that, for the purposes of this section, the applicant is in compliance with the judgment or order for support. Any board that has received a release from the local child support agency pursuant to this subdivision shall process the release within five business days of its receipt.

If the local child support agency determines subsequent to the issuance of a release that the applicant is once again not in compliance with a judgment or order for support, or with the terms of repayment as described in this subdivision, the local child support agency may notify the board, the obligor, and the department in a format prescribed by the department that the obligor is not in compliance.

The department may, when it is economically feasible for the department and the boards to develop an automated process for complying with this subdivision, notify the boards in a manner prescribed by the department, that the obligor is once again not in compliance. Upon receipt of this notice, the board shall immediately notify the obligor on a form prescribed by the department that the obligor's license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The obligor shall be further notified that the license will remain suspended until a new release is issued in accordance with subdivision (h). Nothing in this section shall be deemed to limit the obligor from seeking judicial review of suspension pursuant to the procedures described in subdivision (k).

(m) The department may enter into interagency agreements with the state agencies that have responsibility for the administration of boards necessary to implement this section, to the extent that it is cost effective to implement this section. These agreements shall provide for the receipt by the other state agencies and boards of federal funds to cover that portion of costs allowable in federal law and regulation and incurred by the state agencies and boards in implementing this section. Notwithstanding any other provision of law, revenue generated by a board or state agency shall be used to fund the nonfederal share of costs incurred pursuant to this section. These agreements shall provide that boards shall reimburse the department for the nonfederal share of costs incurred by the department in implementing this section. The boards shall reimburse the department for the nonfederal share of costs incurred pursuant to this section from moneys collected from applicants and licensees.

(n) Notwithstanding any other law, in order for the boards subject to this section to be reimbursed for the costs incurred in administering its provisions, the boards may, with the approval of the appropriate department director, levy on all licensees and applicants a surcharge on any fee or fees collected pursuant to law, or, alternatively, with the approval of the appropriate department director, levy on the applicants or licensees named on a certified list or supplemental list, a special fee.

(o) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section. The procedures specified in the administrative adjudication provisions of the Administrative

Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial, suspension, or failure to issue or renew a license or the issuance of a temporary license pursuant to this section.

(p) In furtherance of the public policy of increasing child support enforcement and collections, on or before November 1, 1995, the State Department of Social Services shall make a report to the Legislature and the Governor based on data collected by the boards and the district attorneys in a format prescribed by the State Department of Social Services. The report shall contain all of the following:

(1) The number of delinquent obligors certified by district attorneys under this section.

(2) The number of support obligors who also were applicants or licensees subject to this section.

(3) The number of new licenses and renewals that were delayed, temporary licenses issued, and licenses suspended subject to this section and the number of new licenses and renewals granted and licenses reinstated following board receipt of releases as provided by subdivision (h) by May 1, 1995.

(4) The costs incurred in the implementation and enforcement of this section.

(q) Any board receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or has been granted a temporary license under this section shall respond only that the license was denied or suspended or the temporary license was issued pursuant to this section. Information collected pursuant to this section by any state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code).

(r) Any rules and regulations issued pursuant to this section by any state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.

(s) The department and boards, as appropriate, shall adopt regulations necessary to implement this section.

(t) The Judicial Council shall develop the forms necessary to implement this section, except as provided in subdivisions (f) and (l).

(u) The release or other use of information received by a board pursuant to this section, except as authorized by this section, is punishable as a misdemeanor.

(v) The State Board of Equalization shall enter into interagency agreements with the department and the Franchise Tax Board that will

require the department and the Franchise Tax Board to maximize the use of information collected by the State Board of Equalization, for child support enforcement purposes, to the extent it is cost effective and permitted by the Revenue and Taxation Code.

(w) (1) The suspension or revocation of any driver's license, including a commercial driver's license, under this section shall not subject the licensee to vehicle impoundment pursuant to Section 14602.6 of the Vehicle Code.

(2) Notwithstanding any other law, the suspension or revocation of any driver's license, including a commercial driver's license, under this section shall not subject the licensee to increased costs for vehicle liability insurance.

(x) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(y) All rights to administrative and judicial review afforded by this section to an applicant shall also be afforded to a licensee.

SEC. 11. Section 19528 of the Revenue and Taxation Code is amended to read:

19528. (a) Notwithstanding any other law, the Franchise Tax Board may require any board, as defined in Section 22 of the Business and Professions Code, and the State Bar, the Bureau of Real Estate, and the Insurance Commissioner (hereinafter referred to as licensing board) to provide to the Franchise Tax Board the following information with respect to every licensee:

- (1) Name.
 - (2) Address or addresses of record.
 - (3) Federal employer identification number, if the licensee is a partnership, or the licensee's individual taxpayer identification number or social security number of all other licensees.
 - (4) Type of license.
 - (5) Effective date of license or renewal.
 - (6) Expiration date of license.
 - (7) Whether license is active or inactive, if known.
 - (8) Whether license is new or renewal.
- (b) The Franchise Tax Board may do the following:

(1) Send a notice to any licensee failing to provide the federal employer identification number, individual taxpayer identification number, or social security number as required by subdivision (a) of Section 30 of the Business and Professions Code and subdivision (a) of Section 1666.5 of the Insurance Code, describing the information that was missing, the penalty associated with not providing it, and that failure to provide the information within 30 days will result in the assessment of the penalty.

(2) After 30 days following the issuance of the notice described in paragraph (1), assess a one-hundred-dollar (\$100) penalty, due and payable upon notice and demand, for any licensee failing to provide either its federal employer identification number (if the licensee is a partnership) or his or

her individual taxpayer identification number or social security number (for all others) as required in Section 30 of the Business and Professions Code and Section 1666.5 of the Insurance Code.

(c) Notwithstanding Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code, the information furnished to the Franchise Tax Board pursuant to Section 30 of the Business and Professions Code or Section 1666.5 of the Insurance Code shall not be deemed to be a public record and shall not be open to the public for inspection.
