

BOARD OF BARBERING AND COSMETOLOGY  
**FINAL STATEMENT OF REASONS**

**Hearing Date:** April 9, 2014

**Subject Matter of Proposed Regulations:** Lash and Brow Tinting

**Sections Affected:** Sections 950.2 and 950.9, California Code of Regulations

**Updated Information**

During the course of this rulemaking, the Board identified three typographical errors in the Initial Statement of Reasons and corrected them. They are:

- 1) Capitalizing the word "board" in the first sentence under "1. Problem being addressed."
- 2) Adding a comma after the word "therefore" in the second sentence under the "factual Basis/rationale" section of "2. Anticipated benefits from this regulatory action".
- 3) Deleted the word "affect" in the second bullet point under the "Economic Impact Assessment."

**Local Mandate**

A mandate is not imposed on local agencies or school districts.

**Small Business Impact**

There is no significant impact to small business.

**Consideration of Alternatives**

No reasonable alternative which was considered or that has otherwise been identified and brought to the attention of the board would be more effective in carrying out the purpose for which the regulation is proposed, would be as effective and less burdensome to affected private persons than the adopted regulation, or would be more cost effective to affected private persons and equally effective in implementing the statutory policy on other provision of law.
