

Cosmetologists and Barbers Needed to Develop Hairstylist Licensing Examination

The Board of Barbering and Cosmetology and the Office of Professional Examination Services (OPES) are recruiting licensed Cosmetologists and Barbers to assist with development of the California Hairstylist licensing examination. We are seeking Cosmetologists and Barbers to serve as subject matter experts (SMEs) in examination development workshops. We need SMEs with various levels of experience and from diverse practice settings. Licensees with less than 5 years of experience are especially needed for item review and passing score workshops to ensure that the licensure examination maintains an entry-level perspective.
