If the written notice of suspension is not terminated upon inspection for failure of the establishment to correct violations, a charge of one hundred dollars (\$100) shall be imposed for each subsequent inspection under this section.

(f) The notice of suspension shall remain posted until removed by the executive officer, but shall be in effect for no longer than 30 days. Removal of the notice of suspension by any person other than the executive officer or designated representative, or the refusal of an establishment to close upon issuance of the written notice of suspension of the establishment license is a violation of this chapter and may result in any sanctions authorized by this chapter.

7404. Grounds for Disciplinary Action

The grounds for disciplinary action are as follows:

(a) Unprofessional conduct which includes, but is not limited to, any of the following:

(b) Failure to comply with the requirements of this chapter.

(c) Failure to comply with the rules governing health and safety adopted by the board and approved by the State Department of Health Services, for the regulation of establishments, or any practice licensed and regulated under this chapter.

(m) Any action or conduct which would have warranted the denial of a license.

(n) Failure to surrender a license that was issued in error or by mistake.

7404.1. Violation of Chapter

Any person, firm, association, or corporation violating this chapter is guilty of a misdemeanor unless a specific penalty is otherwise provided.

7405. “Conviction”; Effect on License

A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this article. The board may order the license suspended or revoked, or may decline to issue a license, when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information or indictment.

ARTICLE 12**Administrative Fines and Citations****7406. Assessment of Administrative Fines for Violations**

In addition to the authority to conduct disciplinary proceedings under this chapter, the board, through its duly authorized representatives, shall have authority to assess administrative fines for the violation of any section of this chapter or the violation of any rules and regulations adopted by the board under this chapter.

7407. Schedule of Administrative Fines

The board shall establish by regulation a schedule of administrative fines for violations of this chapter that directly impact consumer safety. All moneys collected under this section shall be deposited in the board’s contingent fund. The schedule shall indicate for each type of violation whether, in the board’s discretion, the violation can be corrected. The board shall ensure that it and the Bureau for Private Postsecondary Education do not issue citations for the same violation.

7407.1. Fines Assessed to Both Establishments, Individuals for Same Violation

(a) The board shall determine by regulation when a fine shall be assessed to both the holder of the establishment license and the individual licensee for the same violation. The board shall also determine by regulation when a fine shall be assessed to only the holder of the establishment license or to only an individual licensee for the same violation. In making these determinations,

the board shall consider the egregiousness of the violation of the health and safety regulations and whether the violation is a repeated violation by licensees within the same establishment.

(b) (1) The board shall establish by regulation a board-offered remedial education program, in lieu of a first offense of a health and safety violation.

(2) The board may impose a fee to cover the reasonable regulatory cost of administering the program described in paragraph (1).

7408. Citations

The board, through its duly authorized representatives, shall issue a citation with respect to any violation for which an administrative fine may be assessed. Each citation shall be in writing and shall describe with particularity the nature of the violation, including a reference to the specific provision alleged to have been violated. The administrative fine, if any, shall attach at the time the citation is written. The citation shall include an order to correct any condition or violation which lends itself to correction, as determined by the board pursuant to Section 7406.

7408.1. Installment Payment Plan

The board may enter into a payment plan for citations with administrative fines that exceed five hundred dollars (\$500). The board shall define by regulation the parameters of the payment plan, which shall include, but shall not be not limited to, the terms of the plan and grounds for cancellation of the plan.

7409. Correction of Violation

Any licensee served with a citation may avoid the payment of the associated administrative fine by presentation of written proof satisfactory to the board, or its executive officer, that the violation has been corrected. This provision applies only to a licensee's first violation in any three-year period of any single provision of this chapter or the rules and regulations adopted pursuant to this chapter. Proof of correction shall be presented to the board, through its executive officer, in a time and manner prescribed by the board. The board may, in its discretion, extend for a reasonable period the time within which to correct the violation upon the showing of good cause. Notices of correction filed after the prescribed date shall not be acceptable and the administrative fine shall be paid.

7410. Appeal to Disciplinary Review Committee

Persons to whom a notice of violation or a citation is issued and an administrative fine assessed may appeal the citation to a disciplinary review committee established by the board. All appeals shall be submitted in writing to the program within 30 days of the date the citation was issued. Appeals of citations that are not submitted in a timely manner shall be rejected.

After a timely appeal has been filed with the program, the administrative fine, if any, shall be stayed until the appeal has been adjudicated.

Persons appealing a citation, or their appointed representatives, may appear in person before the disciplinary review committee. The appellant may present written or oral evidence relating to the facts and circumstances relating to the citation that was issued. Following an appeal to a disciplinary review committee, the disciplinary review committee shall issue a decision, based on findings of fact, which may affirm, reduce, dismiss, or alter any charges filed in the citation. In no event shall the administrative fine be increased. The appellant shall be provided with a written copy of the disciplinary review committee's decision relating to the appeal.

7411. Appeal of Decision by Disciplinary Review Committee

Persons receiving a decision from a disciplinary review committee may appeal the decision by filing a written request, within 30 days after receipt of the decision, to the program administrator. Following a hearing to appeal the decision of a disciplinary review committee, the director shall thereafter issue a decision, based on findings of fact, affirming, modifying or vacating the citation or penalty, or directing other appropriate relief. In no event shall the administrative fine be increased. The hearing to contest the decision of a disciplinary review committee shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the director shall have all powers granted therein.

7413. Timeliness of Appeal; Finality of Decision

Appeals of citations not filed in a timely manner or failure of the appellant or the appellant's representative to appear before the disciplinary review committee at the appointed time except when good cause is shown, shall cause the citation to become final and there shall be no administrative appeal except as otherwise provided by law.

7414. Effect of Failure to Pay Administrative Fines

The issuance of a license to, or the renewal of a license of, a person who fails to pay administrative fines that were not contested or that were contested but the appeal has been adjudicated may be made contingent upon all fines being paid in addition to any application, renewal, or delinquency fees which are required.

(2) The court, with the consent of the defendant and the prosecution, determines that the offense is an infraction in which event the case shall proceed as if the defendant has been arraigned on an infraction complaint.

(b) Notwithstanding any other provision of law, a violation of any of the provisions of the Filante Tanning Facility Act of 1988, which is an infraction, is punishable by a fine of not less than two hundred fifty dollars (\$250) and not more than one thousand dollars (\$1,000).

(c) This section shall become effective July 1, 1994.

7414.3. Authority to Issue Notice to Appear; Liability for Issuance

(a) Any representative of the board designated by the director shall have the authority to issue a written notice to appear in court pursuant to Chapter 5c (commencing with Section 853.5) of Title 3 of Part 2 of the Penal Code. Representatives so designated are not peace officers and are not entitled to safety member retirement benefits, as a result of that designation. Except as otherwise provided, the representative's authority is limited to the issuance of written notices to appear for infraction violations of the Filante Tanning Facility Act of 1988 and only when the violation is committed in the presence of the representative.

(b) There shall be no civil liability on the part of, and no cause of action shall arise against, any representative, acting pursuant to subdivision (a) and within the scope of his or her authority, for false arrest or false imprisonment arising out of any arrest which is lawful or which the representative, at the time of that arrest, had reasonable cause to believe was lawful.

(c) This section shall become effective July 1, 1994.

7414.4. Dissemination of Information to Facilities Regarding Compliance With Filante Tanning Facility Act of 1988

The board, and its authorized representatives, may disseminate information to tanning facilities regarding compliance with the Filante Tanning Facility Act of 1988.

7414.5. Applicability of Article

This article shall be applicable only to those tanning facilities operated in conjunction with, or at the same location as, an establishment licensed under this chapter.

If the license is renewed after its expiration, the licensee, as a condition precedent to renewal, shall also pay the delinquency fee and meet current continuing education requirements, if applicable, prescribed by this chapter. 7419. Renewal of Suspended License

A suspended license is subject to expiration and shall be renewed by the licensee as provided in this article, but that renewal does not entitle the licensee, while the license remains suspended and until it is reinstated, to engage in the licensed activity, or in any other activity or conduct in violation of the order or judgment by which the license was suspended.

7420. Expiration of Revoked License

A revoked license is subject to expiration as provided in this article, but may not be renewed. 7422. Report to Controller Regarding Fees

All fees collected on behalf of the board and all receipts of every kind and nature, shall be reported to the Controller at the beginning of each month for the month preceding. At the same time the entire amount of collections shall be paid into the State Treasury, and shall be credited to the Barbering and Cosmetology Contingent Fund, which fund is hereby created.

The moneys in the contingent fund shall be appropriated to the board pursuant to the annual Budget Act and out of it shall be paid all salaries and all other expenses necessarily incurred in carrying into effect this chapter.

The board may, by regulation, establish procedures whereby some or all of a fee submitted in connection with an application for licensure would be forfeited by an applicant who has withdrawn his or her application, fails to appear for an examination, or is required to retake an examination.

7427. License Renewal Fee Waiver

(a) (1) For licenses expiring on or after January 1, 2021, and before January 1, 2023, the board shall not seek to collect, and a licensee shall not be required to pay, the renewal fees set forth in this article.

(c) A license shall not be denied, suspended, or revoked on the grounds of a lack of good moral character or any similar ground relating to an applicant's character, reputation, personality, or habits.

CHAPTER 2

Denial of Licenses

480. Grounds for Denial; Effect of Obtaining Certificate of Rehabilitation

(a) Notwithstanding any other provision of this code, a board may deny a license regulated by this code on the grounds that the applicant has been convicted of a crime or has been subject to formal discipline only if either of the following conditions are met:

(1) The applicant has been convicted of a crime within the preceding seven years from the date of application that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made, regardless of whether the applicant was incarcerated for that crime, or the applicant has been convicted of a crime that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made and for which the applicant is presently incarcerated or for which the applicant was released from incarceration within the preceding seven years from the date of application. However, the preceding seven-year limitation shall not apply in either of the following situations:

(A) The applicant was convicted of a serious felony, as defined in Section 1192.7 of the Penal Code or a crime for which registration is required pursuant to paragraph (2) or (3) of subdivision (d) of Section 290 of the Penal Code.

(B) The applicant was convicted of a financial crime currently classified as a felony that is directly and adversely related to the fiduciary qualifications, functions, or duties of the business or profession for which the application is made, pursuant to regulations adopted by the board, and for which the applicant is seeking licensure under any of the following:

- (i) Chapter 1 (commencing with Section 5000) of Division 3.
- (ii) Chapter 6 (commencing with Section 6500) of Division 3.
- (iii) Chapter 9 (commencing with Section 7000) of Division 3.
- (iv) Chapter 11.3 (commencing with Section 7512) of Division 3.
- (v) Licensure as a funeral director or cemetery manager under Chapter 12 (commencing with Section 7600) of Division 3.
- (vi) Division 4 (commencing with Section 10000).

(2) The applicant has been subjected to formal discipline by a licensing board in or outside California within the preceding seven years from the date of application based on professional misconduct that would have been cause for discipline before the board for which the present application is made and that is substantially related to the qualifications, functions, or

duties of the business or profession for which the present application is made. However, prior disciplinary action by a licensing board within the preceding seven years shall not be the basis for denial of a license if the basis for that disciplinary action was a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, 1203.42, or 1203.425 of the Penal Code or a comparable dismissal or expungement. Formal discipline that occurred earlier than seven years preceding the date of application may be grounds for denial of a license only if the formal discipline was for conduct that, if committed in this state by a physician and surgeon licensed pursuant to Chapter 5 (commencing with Section 2000) of Division 2, would have constituted an act of sexual abuse, misconduct, or relations with a patient pursuant to Section 726 or sexual exploitation as defined in subdivision (a) of Section 729.

(b) Notwithstanding any other provision of this code, a person shall not be denied a license on the basis that he or she has been convicted of a crime, or on the basis of acts underlying a conviction for a crime, if he or she has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code, has been granted clemency or a pardon by a state or federal executive, or has made a showing of rehabilitation pursuant to Section 482.

(c) Notwithstanding any other provision of this code, a person shall not be denied a license on the basis of any conviction, or on the basis of the acts underlying the conviction, that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, or 1203.42 of the Penal Code, or a comparable dismissal or expungement. An applicant who has a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, or 1203.42 of the Penal Code shall provide proof of the dismissal if it is not reflected on the report furnished by the Department of Justice.

(d) Notwithstanding any other provision of this code, a board shall not deny a license on the basis of an arrest that resulted in a disposition other than a conviction, including an arrest that resulted in an infraction, citation, or a juvenile adjudication.

(e) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact that is required to be revealed in the application for the license. A board shall not deny a license based solely on an applicant's failure to disclose a fact that would not have been cause for denial of the license had it been disclosed.

(f) A board shall follow the following procedures in requesting or acting on an applicant's criminal history information:

(1) A board issuing a license pursuant to Chapter 3 (commencing with Section 5500), Chapter 3.5 (commencing with Section 5615), Chapter 10 (commencing with Section 7301), Chapter 20 (commencing with Section 9800), or Chapter 20.3 (commencing with Section 9880), of Division 3, or Chapter 3 (commencing with Section 19000) or Chapter 3.1 (commencing with Section 19225) of Division 8 may require applicants for licensure under those chapters to disclose criminal conviction history on an application for licensure.

(2) Except as provided in paragraph (1), a board shall not require an applicant for licensure to disclose any information or documentation regarding the applicant's criminal history. However, a board may request mitigating information from an applicant regarding the applicant's criminal history for purposes of determining substantial relation or demonstrating evidence of rehabilitation, provided that the applicant is informed that disclosure is voluntary and that the applicant's decision not to disclose any information shall not be a factor in a board's decision to grant or deny an application for licensure.

(3) If a board decides to deny an application for licensure based solely or in part on the applicant's conviction history, the board shall notify the applicant in writing of all of the following:

(A) The denial or disqualification of licensure.

(B) Any existing procedure the board has for the applicant to challenge the decision or to request reconsideration.

(C) That the applicant has the right to appeal the board's decision.

(D) The processes for the applicant to request a copy of his or her complete conviction history and question the accuracy or completeness of the record pursuant to Sections 11122 to 11127 of the Penal Code.

(g) (1) For a minimum of three years, each board under this code shall retain application forms and other documents submitted by an applicant, any notice provided to an applicant, all other communications received from and provided to an applicant, and criminal history reports of an applicant.

(2) Each board under this code shall retain the number of applications received for each license and the number of applications requiring inquiries regarding criminal history. In addition, each licensing authority shall retain all of the following information:

(A) The number of applicants with a criminal record who received notice of denial or disqualification of licensure.

(B) The number of applicants with a criminal record who provided evidence of mitigation or rehabilitation.

(C) The number of applicants with a criminal record who appealed any denial or disqualification of licensure.

(D) The final disposition and demographic information, consisting of voluntarily provided information on race or gender, of any applicant described in subparagraph (A), (B), or (C).

(3) (A) Each board under this code shall annually make available to the public through the board's Internet Web site and through a report submitted to the appropriate policy committees of the Legislature deidentified information collected pursuant to this subdivision. Each board shall ensure confidentiality of the individual applicants.

(B) A report pursuant to subparagraph (A) shall be submitted in compliance with Section 9795 of the Government Code.

(h) "Conviction" as used in this section shall have the same meaning as defined in Section 7.5.

(i) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

(1) The State Athletic Commission.

(2) The Bureau for Private Postsecondary Education.

(3) The California Horse Racing Board.

(j) This section shall become operative on July 1, 2020.

480.5. Application for Licensure: Incarceration

(a) An individual who has satisfied any of the requirements needed to obtain a license regulated under this division while incarcerated, who applies for that license upon release from incarceration, and who is otherwise eligible for the license shall not be subject to a delay in processing his or her application or a denial of the license solely on the basis that some or all of the licensure requirements were completed while the individual was incarcerated.

(b) Nothing in this section shall be construed to apply to a petition for reinstatement of a license or to limit the ability of a board to deny a license pursuant to Section 480.

(c) This section shall not apply to the licensure of individuals under the initiative act referred to in Chapter 2 (commencing with Section 1000) of Division 2.

481. Crime and Job Fitness Criteria

(a) Each board under this code shall develop criteria to aid it, when considering the denial, suspension, or revocation of a license, to determine whether a crime is substantially related to the qualifications, functions, or duties of the business or profession it regulates.

(b) Criteria for determining whether a crime is substantially related to the qualifications, functions, or duties of the business or profession a board regulates shall include all of the following:

- (1) The nature and gravity of the offense.
- (2) The number of years elapsed since the date of the offense.
- (3) The nature and duties of the profession in which the applicant seeks licensure or in which the licensee is licensed.

(c) A board shall not deny a license based in whole or in part on a conviction without considering evidence of rehabilitation submitted by an applicant pursuant to any process established in the practice act or regulations of the particular board and as directed by Section 482.

(d) Each board shall post on its Internet Web site a summary of the criteria used to consider whether a crime is considered to be substantially related to the qualifications, functions, or duties of the business or profession it regulates consistent with this section.

(e) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

- (1) The State Athletic Commission.
- (2) The Bureau for Private Postsecondary Education.
- (3) The California Horse Racing Board.

(f) This section shall become operative on July 1, 2020.

482. Rehabilitation Criteria

(a) Each board under this code shall develop criteria to evaluate the rehabilitation of a person when doing either of the following:

- (1) Considering the denial of a license by the board under Section 480.
- (2) Considering suspension or revocation of a license under

Section 490.

(b) Each board shall consider whether an applicant or licensee has made a showing of rehabilitation if either of the following are met:

(1) The applicant or licensee has completed the criminal sentence at issue without a violation of parole or probation.

(2) The board, applying its criteria for rehabilitation, finds that the applicant is rehabilitated.

(c) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

- (1) The State Athletic Commission.
- (2) The Bureau for Private Postsecondary Education.
- (3) The California Horse Racing Board.

(d) This section shall become operative on July 1, 2020.

484. Attestation to Good Moral Character of Applicant

No person applying for licensure under this code shall be required to submit to any licensing board any attestation by other persons to his good moral character.

485. Procedure Upon Denial

Upon denial of an application for a license under this chapter or Section 496, the board shall do either of the following:

(a) File and serve a statement of issues in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(b) Notify the applicant that the application is denied, stating

(1) the reason for the denial, and

(2) that the applicant has the right to a hearing under Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code if written request for hearing is made within 60 days after service of the notice of denial. Unless written request for hearing is made within the 60-day period, the applicant's right to a hearing is deemed waived. Service of the notice of denial may be made in the manner authorized for service of summons in civil actions, or by registered mail addressed to the applicant at the latest address filed by the applicant in writing with the board in his or her application or otherwise. Service by mail is complete on the date of mailing.

486. Contents of Decision or Notice

Where the board has denied an application for a license under this chapter or Section 496, it shall, in its decision, or in its notice under subdivision (b) of Section 485, inform the applicant of the following:

(a) The earliest date on which the applicant may reapply for a license which shall be one year from the effective date of the decision, or service of the notice under subdivision (b) of Section 485, unless the board prescribes an earlier date or a later date is prescribed by another statute.

(b) That all competent evidence of rehabilitation presented will be considered upon a reapplication. Along with the decision, or the notice under subdivision (b) of Section 485, the board shall serve a copy of the criteria relating to rehabilitation formulated under Section 482.

487. Hearing; Time

If a hearing is requested by the applicant, the board shall conduct such hearing within 90 days from the date the hearing is requested unless the applicant shall request or agree in writing to a postponement or continuance of the hearing. Notwithstanding the above, the Office of Administrative Hearings may order, or on a showing of good cause, grant a request for, up to 45 additional days within which to conduct a hearing, except in cases involving alleged examination or licensing fraud, in which cases the period may be up to 180 days. In no case shall more than two such orders be made or requests be granted.

488. Hearing Request

(a) Except as otherwise provided by law, following a hearing requested by an applicant pursuant to subdivision (b) of Section 485, the board may take any of the following actions:

(1) Grant the license effective upon completion of all licensing requirements by the applicant.

(2) Grant the license effective upon completion of all licensing requirements by the applicant, immediately revoke the license, stay the revocation, and impose probationary conditions on the license, which may include suspension.

(3) Deny the license.

(4) Take other action in relation to denying or granting the license as the board in its discretion may deem proper.

(b) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

(1) The State Athletic Commission.

(2) The Bureau for Private Postsecondary Education.

(3) The California Horse Racing Board.

(c) This section shall become operative on July 1, 2020.

489. Denial of Application Without a Hearing

Any agency in the department which is authorized by law to deny an application for a license upon the grounds specified in Section 480 or 496, may without a hearing deny an application upon any of those grounds, if within one year previously, and after proceedings conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, that agency has denied an application from the same applicant upon the same ground.

CHAPTER 3

Suspension and Revocation of Licenses

490. Grounds for Suspension or Revocation

(a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. An action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal. App. 4th 554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change to, but rather are declaratory of, existing law.

490.5. Suspension of License for Failure to Comply with Child Support Order

A board may suspend a license pursuant to Section 17520 of the Family Code if a licensee is not in compliance with a child support order or judgment.

491. Procedure upon Suspension or Revocation

Upon suspension or revocation of a license by a board on one or more of the grounds specified in Section 490, the board shall:

(a) Send a copy of the provisions of Section 11522 of the Government Code to the ex-licensee.

(b) Send a copy of the criteria relating to rehabilitation formulated under Section 482 to the ex-licensee.

492. Effect of Completion of Drug Diversion Program on Disciplinary Action or Denial of License

Notwithstanding any other provision of law, successful completion of any diversion program under the Penal Code, or successful completion of an alcohol and drug problem assessment program under Article 5 (commencing with Section 23249.50) of Chapter 12 of Division 11 of the Vehicle Code, shall not prohibit any agency established under Division 2 (commencing with Section 500) of this code, or any initiative act referred to in that division, from taking disciplinary action against a licensee or from denying a license for professional misconduct, notwithstanding that evidence of that misconduct may be recorded in a record pertaining to an arrest. This section shall not be construed to apply to any drug diversion program operated by any agency established under Division 2 (commencing with Section 500) of this code, or any initiative act referred to in that division.

493. Evidentiary Effect of Record of Conviction of Crime Involving Moral Turpitude

(a) Notwithstanding any other law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact.

(b) (1) Criteria for determining whether a crime is substantially related to the qualifications, functions, or duties of the business or profession the board regulates shall include all of the following:

- (A) The nature and gravity of the offense.
- (B) The number of years elapsed since the date of the offense.
- (C) The nature and duties of the profession.

(2) A board shall not categorically bar an applicant based solely on the type of conviction without considering evidence of rehabilitation.

(c) As used in this section, “license” includes “certificate,” “permit,” “authority,” and “registration.”

(d) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

- (1) The State Athletic Commission.
 - (2) The Bureau for Private Postsecondary Education.
 - (3) The California Horse Racing Board.
- (e) This section shall become operative on July 1, 2020.

494. Interim Suspension or Restriction Order

(a) A board or an administrative law judge sitting alone, as provided in subdivision (h), may, upon petition, issue an interim order suspending any licentiate or imposing license restrictions, including, but not limited to, mandatory biological fluid testing, supervision, or remedial training. The petition shall include affidavits that demonstrate, to the satisfaction of the board, both of the following:

(1) The licentiate has engaged in acts or omissions constituting a violation of this code or has been convicted of a crime substantially related to the licensed activity.

(2) Permitting the licentiate to continue to engage in the licensed activity, or permitting the licentiate to continue in the licensed activity without restrictions, would endanger the public health, safety, or welfare.

(b) No interim order provided for in this section shall be issued without notice to the licentiate unless it appears from the petition and supporting documents that serious injury would result to the public before the matter could be heard on notice.

(c) Except as provided in subdivision (b), the licentiate shall be given at least 15 days' notice of the hearing on the petition for an interim order. The notice shall include documents submitted to the board in support of the petition. If the order was initially issued without notice as provided in subdivision (b), the licentiate shall be entitled to a hearing on the petition within 20 days of the issuance of the interim order without notice. The licentiate shall be given notice of the hearing within two days after issuance of the initial interim order, and shall receive all documents in support of the petition. The failure of the board to provide a hearing within 20 days following the issuance of the interim order without notice, unless the licentiate waives his or her right to the hearing, shall result in the dissolution of the interim order by operation of law.

(d) At the hearing on the petition for an interim order, the licentiate may:

- (1) Be represented by counsel.
- (2) Have a record made of the proceedings, copies of which shall be available to the licentiate upon payment of costs computed in accordance with the provisions for transcript costs for judicial review contained in Section 11523 of the Government Code.

(3) Present affidavits and other documentary evidence.

(4) Present oral argument.

(e) The board, or an administrative law judge sitting alone as provided in subdivision (h), shall issue a decision on the petition for interim order within five business days following submission of the matter. The standard of proof required to obtain an interim order pursuant to this section shall be a preponderance of the evidence standard. If the interim order was previously issued without notice, the board shall determine whether the order shall remain in effect, be dissolved, or modified.

(f) The board shall file an accusation within 15 days of the issuance of an interim order. In the case of an interim order issued without notice, the time shall run from the date of the order issued after the noticed hearing. If the licensee files a Notice of Defense, the hearing shall be held within 30 days of the agency's receipt of the Notice of Defense. A decision shall be rendered on the accusation no later than 30 days after submission of the matter. Failure to comply with any of the requirements in this subdivision shall dissolve the interim order by operation of law.

(g) Interim orders shall be subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure and shall be heard only in the superior court in and for the Counties of Sacramento, San Francisco, Los Angeles, or San Diego. The review of an interim order shall be limited to a determination of whether the board abused its discretion in the issuance of the interim order. Abuse of discretion is established if the respondent board has not proceeded in the manner required by law, or if the court determines that the interim order is not supported by substantial evidence in light of the whole record.

(h) The board may, in its sole discretion, delegate the hearing on any petition for an interim order to an administrative law judge in the Office of Administrative Hearings. If the board hears the noticed petition itself, an administrative law judge shall preside at the hearing, rule on the admission and exclusion of evidence, and advise the board on matters of law. The board shall exercise all other powers relating to the conduct of the hearing but may delegate any or all of them to the administrative law judge. When the petition has been delegated to an administrative law judge, he or she shall sit alone and exercise all of the powers of the board relating to the conduct of the hearing. A decision issued by an administrative law judge sitting alone shall be final when it is filed with the board. If the administrative law judge issues an interim order without notice, he or she shall preside at the noticed hearing,

unless unavailable, in which case another administrative law judge may hear the matter. The decision of the administrative law judge sitting alone on the petition for an interim order is final, subject only to judicial review in accordance with subdivision (g).

(i) Failure to comply with an interim order issued pursuant to subdivision (a) or (b) shall constitute a separate cause for disciplinary action against any licensee, and may be heard at, and as a part of, the noticed hearing provided for in subdivision (f). Allegations of noncompliance with the interim order may be filed at any time prior to the rendering of a decision on the accusation. Violation of the interim order is established upon proof that the licensee was on notice of the interim order and its terms, and that the order was in effect at the time of the violation. The finding of a violation of an interim order made at the hearing on the accusation shall be reviewed as a part of any review of a final decision of the agency.

If the interim order issued by the agency provides for anything less than a complete suspension of the licensee from his or her business or profession, and the licensee violates the interim order prior to the hearing on the accusation provided for in subdivision (f), the agency may, upon notice to the licensee and proof of violation, modify or expand the interim order.

(j) A plea or verdict of guilty or a conviction after a plea of *nolo contendere* is deemed to be a conviction within the meaning of this section. A certified record of the conviction shall be conclusive evidence of the fact that the conviction occurred. A board may take action under this section notwithstanding the fact that an appeal of the conviction may be taken.

(k) The interim orders provided for by this section shall be in addition to, and not a limitation on, the authority to seek injunctive relief provided in any other provision of law.

(l) In the case of a board, a petition for an interim order may be filed by the executive officer. In the case of a bureau or program, a petition may be filed by the chief or program administrator, as the case may be.

(m) "Board," as used in this section, shall include any agency described in Section 22, and any allied health agency within the jurisdiction of the Medical Board of California. Board shall also include the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. The provisions of this section shall not be applicable to the Medical Board of California, the Board of Podiatric Medicine, or the State Athletic Commission.

494.5. Agency Actions when Licensee is on Certified List; Definitions; Collections and Distribution of Certified List Information; Timing; Notices; Challenges by Applicants and Licensees; Release Forms; Interagency Agreements; Fees; Remedies; Inquiries and Disclosure of Information; Severability

(a) (1) Except as provided in paragraphs (2), (3), and (4), a state governmental licensing entity shall refuse to issue, reactivate, reinstate, or renew a license and shall suspend a license if a licensee's name is included on a certified list.

(2) The Department of Motor Vehicles shall suspend a license if a licensee's name is included on a certified list. Any reference in this section to the issuance, reactivation, reinstatement, renewal, or denial of a license shall not apply to the Department of Motor Vehicles.

(3) The State Bar of California may recommend to refuse to issue, reactivate, reinstate, or renew a license and may recommend to suspend a license if a licensee's name is included on a certified list. The word "may" shall be substituted for the word "shall" relating to the issuance of a temporary license, refusal to issue, reactivate, reinstate, renew, or suspend a license in this section for licenses under the jurisdiction of the California Supreme Court.

(4) The Department of Alcoholic Beverage Control may refuse to issue, reactivate, reinstate, or renew a license, and may suspend a license, if a licensee's name is included on a certified list.

(b) For purposes of this section:

(1) "Certified list" means either the list provided by the State Board of Equalization or the list provided by the Franchise Tax Board of persons whose names appear on the lists of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code, as applicable.

(2) "License" includes a certificate, registration, or any other authorization to engage in a profession or occupation issued by a state governmental licensing entity. "License" includes a driver's license issued pursuant to Chapter 1 (commencing with Section 12500) of Division 6 of the Vehicle Code. "License" excludes a vehicle registration issued pursuant to Division 3 (commencing with Section 4000) of the Vehicle Code.

(3) "Licensee" means an individual authorized by a license to drive a motor vehicle or authorized by a license, certificate, registration, or other authorization to engage in a profession or occupation issued by a state governmental licensing entity.

(4) “State governmental licensing entity” means any entity listed in Section 101, 1000, or 19420, the office of the Attorney General, the Department of Insurance, the Department of Motor Vehicles, the State Bar of California, the Department of Real Estate, and any other state agency, board, or commission that issues a license, certificate, or registration authorizing an individual to engage in a profession or occupation, including any certificate, business or occupational license, or permit or license issued by the Department of Motor Vehicles or the Department of the California Highway Patrol. “State governmental licensing entity” shall not include the Contractors’ State License Board.

(c) The State Board of Equalization and the Franchise Tax Board shall each submit its respective certified list to every state governmental licensing entity. The certified lists shall include the name, social security number or taxpayer identification number, and the last known address of the persons identified on the certified lists.

(d) Notwithstanding any other law, each state governmental licensing entity shall collect the social security number or the federal taxpayer identification number from all applicants for the purposes of matching the names of the certified lists provided by the State Board of Equalization and the Franchise Tax Board to applicants and licensees.

(e) (1) Each state governmental licensing entity shall determine whether an applicant or licensee is on the most recent certified list provided by the State Board of Equalization and the Franchise Tax Board.

(2) If an applicant or licensee is on either of the certified lists, the state governmental licensing entity shall immediately provide a preliminary notice to the applicant or licensee of the entity’s intent to suspend or withhold issuance or renewal of the license. The preliminary notice shall be delivered personally or by mail to the applicant’s or licensee’s last known mailing address on file with the state governmental licensing entity within 30 days of receipt of the certified list. Service by mail shall be completed in accordance with Section 1013 of the Code of Civil Procedure.

(A) The state governmental licensing entity shall issue a temporary license valid for a period of 90 days to any applicant whose name is on a certified list if the applicant is otherwise eligible for a license.

(B) The 90-day time period for a temporary license shall not be extended. Only one temporary license shall be issued during a regular license term and the term of the temporary license shall coincide with the first 90 days of the regular license term. A license for the full term or the remainder of the license term may be issued or renewed only upon compliance with this section.

(C) In the event that a license is suspended or an application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the state governmental licensing entity.

(f) (1) A state governmental licensing entity shall refuse to issue or shall suspend a license pursuant to this section no sooner than 90 days and no later than 120 days of the mailing of the preliminary notice described in paragraph (2) of subdivision (e), unless the state governmental licensing entity has received a release pursuant to subdivision (h). The procedures in the administrative adjudication provisions of the Administrative Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial or suspension of, or refusal to renew, a license or the issuance of a temporary license pursuant to this section.

(2) Notwithstanding any other law, if a board, bureau, or commission listed in Section 101, other than the Contractors' State License Board, fails to take action in accordance with this section, the Department of Consumer Affairs shall issue a temporary license or suspend or refuse to issue, reactivate, reinstate, or renew a license, as appropriate.

(g) Notices shall be developed by each state governmental licensing entity. For an applicant or licensee on the State Board of Equalization's certified list, the notice shall include the address and telephone number of the State Board of Equalization, and shall emphasize the necessity of obtaining a release from the State Board of Equalization as a condition for the issuance, renewal, or continued valid status of a license or licenses. For an applicant or licensee on the Franchise Tax Board's certified list, the notice shall include the address and telephone number of the Franchise Tax Board, and shall emphasize the necessity of obtaining a release from the Franchise Tax Board as a condition for the issuance, renewal, or continued valid status of a license or licenses.

(1) The notice shall inform the applicant that the state governmental licensing entity shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 90 calendar days if the applicant is otherwise eligible and that upon expiration of that time period, the license will be denied unless the state governmental licensing entity has received a release from the State Board of Equalization or the Franchise Tax Board, whichever is applicable.

(2) The notice shall inform the licensee that any license suspended under this section will remain suspended until the state governmental licensing entity receives a release along with applications and fees, if applicable, to reinstate the license.

(3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any moneys paid by the applicant or licensee shall not be refunded by the state governmental licensing entity. The state governmental licensing entity shall also develop a form that the applicant or licensee shall use to request a release by the State Board of Equalization or the Franchise Tax Board. A copy of this form shall be included with every notice sent pursuant to this subdivision.

(h) If the applicant or licensee wishes to challenge the submission of his or her name on a certified list, the applicant or licensee shall make a timely written request for release to the State Board of Equalization or the Franchise Tax Board, whichever is applicable. The State Board of Equalization or the Franchise Tax Board shall immediately send a release to the appropriate state governmental licensing entity and the applicant or licensee, if any of the following conditions are met:

(1) The applicant or licensee has complied with the tax obligation, either by payment of the unpaid taxes or entry into an installment payment agreement, as described in Section 6832 or 19008 of the Revenue and Taxation Code, to satisfy the unpaid taxes.

(2) The applicant or licensee has submitted a request for release not later than 45 days after the applicant's or licensee's receipt of a preliminary notice described in paragraph (2) of subdivision (e), but the State Board of Equalization or the Franchise Tax Board, whichever is applicable, will be unable to complete the release review and send notice of its findings to the applicant or licensee and state governmental licensing entity within 45 days after the State Board of Equalization's or the Franchise Tax Board's receipt of the applicant's or licensee's request for release. Whenever a release is granted under this paragraph, and, notwithstanding that release, the applicable license or licenses have been suspended erroneously, the state governmental licensing entity shall reinstate the applicable licenses with retroactive effect back to the date of the erroneous suspension and that suspension shall not be reflected on any license record.

(3) The applicant or licensee is unable to pay the outstanding tax obligation due to a current financial hardship. "Financial hardship" means financial hardship as determined by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, where the applicant or licensee is unable to pay any part of the outstanding liability and the applicant or licensee is unable to qualify for an installment payment arrangement as provided for by Section 6832 or Section 19008 of the Revenue and Taxation Code. In order to establish the existence of a financial hardship, the applicant or licensee shall submit any information, including information related to

reasonable business and personal expenses, requested by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, for purposes of making that determination.

(i) An applicant or licensee is required to act with diligence in responding to notices from the state governmental licensing entity and the State Board of Equalization or the Franchise Tax Board with the recognition that the temporary license will lapse or the license suspension will go into effect after 90 days and that the State Board of Equalization or the Franchise Tax Board must have time to act within that period. An applicant's or licensee's delay in acting, without good cause, which directly results in the inability of the State Board of Equalization or the Franchise Tax Board, whichever is applicable, to complete a review of the applicant's or licensee's request for release shall not constitute the diligence required under this section which would justify the issuance of a release. An applicant or licensee shall have the burden of establishing that he or she diligently responded to notices from the state governmental licensing entity or the State Board of Equalization or the Franchise Tax Board and that any delay was not without good cause.

(j) The State Board of Equalization or the Franchise Tax Board shall create release forms for use pursuant to this section. When the applicant or licensee has complied with the tax obligation by payment of the unpaid taxes, or entry into an installment payment agreement, or establishing the existence of a current financial hardship as defined in paragraph (3) of subdivision (h), the State Board of Equalization or the Franchise Tax Board, whichever is applicable, shall mail a release form to the applicant or licensee and provide a release to the appropriate state governmental licensing entity. Any state governmental licensing entity that has received a release from the State Board of Equalization and the Franchise Tax Board pursuant to this subdivision shall process the release within five business days of its receipt. If the State Board of Equalization or the Franchise Tax Board determines subsequent to the issuance of a release that the licensee has not complied with their installment payment agreement, the State Board of Equalization or the Franchise Tax Board, whichever is applicable, shall notify the state governmental licensing entity and the licensee in a format prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, that the licensee is not in compliance and the release shall be rescinded. The State Board of Equalization and the Franchise Tax Board may, when it is economically feasible for the state governmental licensing entity to develop an automated process for complying with this subdivision, notify the state governmental licensing entity in a manner prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is

applicable, that the licensee has not complied with the installment payment agreement. Upon receipt of this notice, the state governmental licensing entity shall immediately notify the licensee on a form prescribed by the state governmental licensing entity that the licensee's license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The licensee shall be further notified that the license will remain suspended until a new release is issued in accordance with this subdivision.

(k) The State Board of Equalization and the Franchise Tax Board may enter into interagency agreements with the state governmental licensing entities necessary to implement this section.

(l) Notwithstanding any other law, a state governmental licensing entity, with the approval of the appropriate department director or governing body, may impose a fee on a licensee whose license has been suspended pursuant to this section. The fee shall not exceed the amount necessary for the state governmental licensing entity to cover its costs in carrying out the provisions of this section. Fees imposed pursuant to this section shall be deposited in the fund in which other fees imposed by the state governmental licensing entity are deposited and shall be available to that entity upon appropriation in the annual Budget Act.

(m) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section.

(n) Any state governmental licensing entity receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or who has been granted a temporary license under this section shall respond that the license was denied or suspended or the temporary license was issued only because the licensee appeared on a list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code. Information collected pursuant to this section by any state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code). Any state governmental licensing entity that discloses on its Internet Web site or other publication that the licensee has had a license denied or suspended under this section or has been granted a temporary license under this section shall prominently disclose, in bold and adjacent to the information regarding the status of the license, that the only reason the license was denied, suspended, or temporarily issued is because the licensee failed to pay taxes.

(o) Any rules and regulations issued pursuant to this section by any state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.

(p) The State Board of Equalization, the Franchise Tax Board, and state governmental licensing entities, as appropriate, shall adopt regulations as necessary to implement this section.

(q) (1) Neither the state governmental licensing entity, nor any officer, employee, or agent, or former officer, employee, or agent of a state governmental licensing entity, may disclose or use any information obtained from the State Board of Equalization or the Franchise Tax Board, pursuant to this section, except to inform the public of the denial, refusal to renew, or suspension of a license or the issuance of a temporary license pursuant to this section. The release or other use of information received by a state governmental licensing entity pursuant to this section, except as authorized by this section, is punishable as a misdemeanor. This subdivision may not be interpreted to prevent the State Bar of California from filing a request with the Supreme Court of California to suspend a member of the bar pursuant to this section.

(2) A suspension of, or refusal to renew, a license or issuance of a temporary license pursuant to this section does not constitute denial or discipline of a licensee for purposes of any reporting requirements to the National Practitioner Data Bank and shall not be reported to the National Practitioner Data Bank or the Healthcare Integrity and Protection Data Bank.

(3) Upon release from the certified list, the suspension or revocation of the applicant's or licensee's license shall be purged from the state governmental licensing entity's Internet Web site or other publication within three business days. This paragraph shall not apply to the State Bar of California.

(r) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(s) All rights to review afforded by this section to an applicant shall also be afforded to a licensee.

(t) Unless otherwise provided in this section, the policies, practices, and procedures of a state governmental licensing entity with respect to license suspensions under this section shall be the same as those applicable with respect to suspensions pursuant to Section 17520 of the Family Code.

(u) No provision of this section shall be interpreted to allow a court to review and prevent the collection of taxes prior to the payment of those taxes in violation of the California Constitution.

(v) This section shall apply to any licensee whose name appears on a list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code on or after July 1, 2012.

494.6. Labor Code Violations – Basis for License Discipline
